ANTIGUA AND BARBUDA

REFERENCE
CATALOGUE

Orders and Medals of Antigua and Barbuda

This reference catalog is designed for easy navigation on the «World Awards» site. The names of the awards are the hyperlink leading to a page of the site with more detailed information. For ease of use, each award has a catalog number.

The site will host two versions of the catalog. The second version with a white background of the pages is designed for self printing of the catalog. I hope the presence of such catalog will contribute to the popularization of phaleristics and the growth of the number of collectors among young people.

With warmest regards
