REFERENCE
CATALOGUE

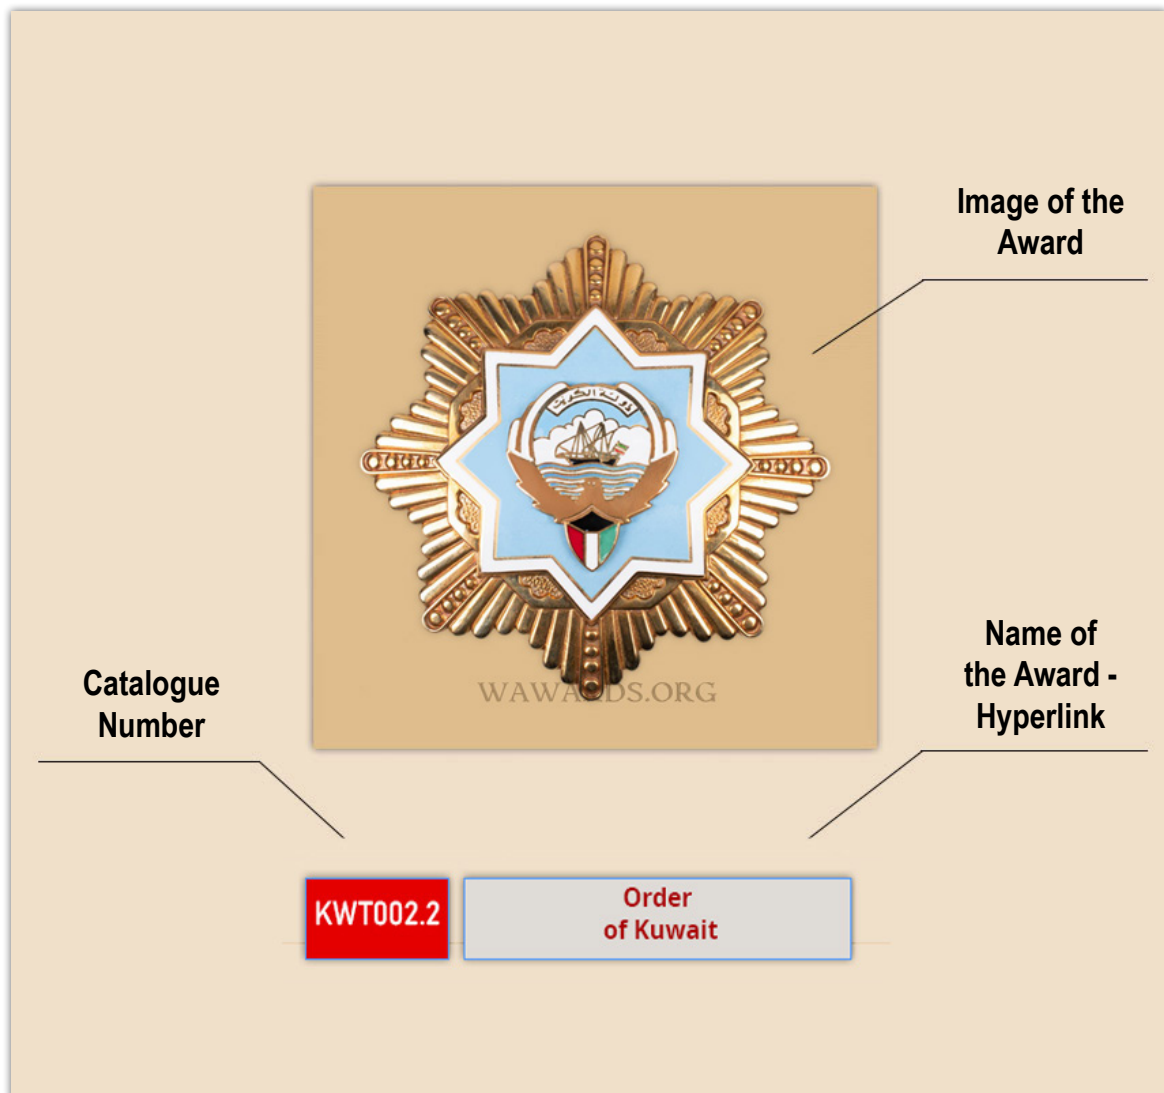

Orders and Medals of Kuwait

This reference catalog is designed for easy navigation on the «World Awards» site. The names of the awards are the hyperlink leading to a page of the site with more detailed information. For ease of use, each award has a catalog number.

The site will host two versions of the catalog. The second version with a white background of the pages is designed for self printing of the catalog. I hope the presence of such catalog will contribute to the popularization of phaleristics and the growth of the number of collectors among young people.

With warmest regards
